

Doctrinal Mastery – Commandments

Purpose – To help you see how the doctrine about commandments applies to you in your own life situations.

Activity – Over the course of multiple days we will study the Doctrinal Mastery Core Document by doing the following:

- Identify and mark doctrinal statements about commandments.
- Identify and mark scriptures that support doctrinal statements.
- Comparing doctrinal statements to modern quotes from prophets and apostles.

Performance – At the end of the unit you will be asked to respond to a real-life scenario about commandments by using the doctrinal statements and scriptures that we have studied. You will be graded on your application and understanding of what we have studied as well as your participation.
