DISCLOSURES

*Make sure you read your SYNC®/SYNC® 2/SYNC® 3 Owner's Manual before using this feature for the first time. This site provides useful information on commonly used features but is not intended to replace the detailed instructions and warnings contained in your SYNC®/SYNC® 2/SYNC® 3 Owner's Manual.

SYNC® is available on most Ford vehicles. Features/functionality vary by vehicle/model. Driving while distracted can result in loss of vehicle control. Only use SYNC®/SYNC® 2/SYNC® 3 other devices, even with voice commands, when it is safe to do so. Some features may be locked out while the vehicle is in gear.
