

### **Self-assessment guidelines:**

1. What linguistic knowledge or communicative language I have learned and mastered today?
2. What linguistic points in this lesson do I still feel confused?
3. What is the best thing I did during the task?
4. How did I contribute to the task?
5. What aspect should I make some improvement?
6. When I come across some difficulty what did I deal with?
7. When my group members come across some difficulty, what did I do to help them?
8. Did I revise today's lesson after the whole process of study?
